ACI Contractor Recognition Winners

Honeywell is pleased to announce the winners of the 2010 ACI Contractor Recognition Award. The following companies qualified based on their outstanding performance in 2009 in each of their respective market places.

Congratulations to:

- **Automated Building Solutions, Inc.**
- **Bironas, Inc.**
- **Chesapeake Controls**
- **ControlNET**
- **DMA Applied Controls Ltd.**
- **Engineered Controls Inc.**
- **Mechanical Systems & Services**
- **Southeastern Temperature Controls**
- **Walters Controls**

Honeywell recognizes on a yearly basis their most outstanding ACI Contractors thru out North America. ACI Contractors were selected based on loyalty, volume, and growth to the entire portfolio of Honeywell Building Automation products for commercial buildings. Over 50 Honeywell ACI Contractors are considered for the ACI recognition award. Please welcome Honeywell in congratulating the above outstanding ACI contractors for their individual performances in 2009.
